OWNER & FOUNDER

Leanne Hart

I live in the South West with my family and our 3 cats (!). When I'm not making up faces, I'm usually; tending to my garden (yes, really - ha ha!) wine tasting with the girls, playing dress-up with my daughter or losing at Mario Kart against my son.

I have always been into makeup. When I was 12 I wanted to become a makeup artist so I could meet Leonardo Di Caprio on the set of his latest film. This was in the hope he'd fall helplessly in love with me! (There's still time Leo... #justsaying!).

I gained my Guild of Beauty Therapists qualifications at the Boulevard Beauty Academy in early 2017 and have been a bridal specialist ever since. I absolutely love what I do! Wedding mornings are a joy to be involved with.

I promise to make your wedding morning a positive and relaxed experience. I'm on hand for anything you need, as well as to make you feel beautiful. Plus, I bring all the good vibes and as many hugs as you need!

ONE

Before & After

Before

Charlotte wanted to incorporate some colour into her look. She was concerned about shadows under her eyes and she really wanted to keep the look natural but with a bit of the 'wow' factor. Her skin was dry so I applied an exfoliation treatment and carried out a mini facial of hydrating oils and serums.

After

Charlotte suited the warm tones I chose for her which also worked with her wedding theme. I colour-corrected her eyes and used a brightening under eye concealer, with a touch of setting powder to ensure the finish and longevity. I applied a peach blush and some highlighter for extra glow.

TWO

Before & After

Before

Vicky has wonderfully deep brown eyes and wanted to make these a feature. She was also worried about oiliness throughout the day.

I performed a full skin prep treatment to make her skin feel more balanced and hydrated.

After

Vicky doesn't wear a lot of makeup normally so it was important she looked like herself.

I used a colour corrector and under eye gel masks to combat the dark circles.

We used a light coverage foundation, setting powder and a Matte Setting Spray to ensure the makeup lasted for hours.

THREE

Before & After

Before

Lauren is lovely even without makeup. However when she came to her trial, she had dry skin with lots of texture which didn't give her the natural glowing finish she was after.

I gave her bespoke skin care advice to get her skin in the best condition for her wedding day.

After

Lauren has gorgeous eyes and loves shimmery eyeshadow so I made this a feature of her look.

Her skin was completely transformed, meaning I could keep coverage light and natural.

She was able to have the glowing finish she desired.

"Leanne was absolutely amazing!! She is such a warm, friendly person and instantly put me and my bridesmaids at ease. She's so funny and a wonderful human being. I am so so glad I managed to book her for my special day. She really helped chill me and my makeup was absolutely perfect!

I am not a fan of photos of myself but I can't get over how beautiful she made me look and I can't stop looking at them. She is so good at what she does and really gets to know you and what you want. She helps design the look most tailored to your features. I would 100% recommended Leanne."

"Leanne did the makeup for my wedding in October. It was an Autumnal theme which she captured amazingly. She is so talented, she knew exactly what I wanted, and the end result was better than I imagined.... She was professional, kind and accommodating.

Leanne kept the atmosphere of the morning calm and everything went smoothly. I am so grateful Leanne. I would recommend you a thousand times over."

Ellie said...

"Leanne was AMAZING on my wedding day. I honestly am so happy that I booked her to do my make up. From the trial, to the morning itself, she was so kind, helpful and organised.

All of my bridal party commented on how brilliant she was. My make up looked stunning and lasted all day long! I don't wear very much make up normally so was worried it wouldn't look natural on me but it was perfect. Leanne was lovely, easy to talk to and incredibly calm. Thank you so much for the amazing experience that you gave me."

Emma said...

"Leanne was spectacular from start to finish. As well as being a lovely and warm person who made me feel all kinds of special, she did an incredible job on my bridal make-up, and on the make-up for my bridal party and MoB.

I couldn't be happier with my choice to have Leanne as my make-up artist for my wedding - I looked like the best version of myself! Her communication was spot-on and I'd use her again in a heartbeat."
